Two Big Contests

Two Big Contests

I was generously gifted a set of Naniwa Chosera Stones by Tom Blodgett of Jende Industries and have them mounted on Wicked Edge paddles for use on the WEPS. Because I am winding down my work with knives because time and tide have taken their toll of me, I am going to give away this complete set of little used stones to some lucky winner of this Grand Prize in our contest, with any luck it may be you. But what is the contest?

The first contest begins today and ends on April 30/2013. It is open to all regular members of our Wicked Edge Forum who own a WEPS. Staff of the WE and Moderators may not participate.

The object of the contest is to make a video about the WEPS showing why it is that you find this a remarkable tool. Then upload it to You Tube. The one which is judged best by a panel from the Wicked Edge, that has the best array of comments from You Tube members and which shows originality, best scripting and photography, will win the complete set of Naniwa Chosera stones. There will be a Second Prize of one of the new set of arms and degree bar developed by Clay.

If you are entering this contest please PM Clay and let him know who you are, the title of your video and when you uploaded your video. Hopefully all the videos will not be squashed together on the last day of April. Get yours up as soon as you can.

The Second Contest is open to all members(except as stated for Contest 1) whether you own a WEPS or not. It also runs until April 30, 2013. The object is to make a photo-essay about something to deal with you, your life generally regarding sharpening, your knife collection, the WEPS and Wicked Edge products or why you want to own a WEPS if you don't have one. 500 words or less and pictures with captions. When you are done, post your effort on the Forum in the section where you think it belongs. PM me when you are done, telling me who you are, the title of your photo-essay and where you placed it. I will judge this contest and the three winners will have their essays posted on the various knife forums to encourage others to come over to the Wicked Edge.

First Prize is a Helle Temagami triple laminate carbon blade knife and sheath; the Second Prize is a Northfield Jack Leg Jackknife and the Third Prize is an Angle Cube.

We hope everyone gives this contest a try! I am looking forward to seeing all these creative ideas developed by you and I know Clay and his staff are too.

Go for it guys and gals!!

Cheers

Leo

A great idea Mark! It will help to spread the word about the WEPS !

Well done!

Now that Christmas and New Years are over, perhaps it is a good time to plan your vodeo or photo essay for the Wicked Edge Contest. Wouldn't iit be nice to win a whole set of Naniwa Chosera stones for your WEPS, or perhaps a set of the newly designed arms to update your standard WEPS and don't forget the fine 4 inch Temagami Knife from Helle of Norway as the First Prize for the Photo Essay.

Take another look at the contest on page 1 of this section and give it a try!

Best regards to all

I've been swamped in work and although I have tons of video's and picture, I doubt I'll make it in time.

I'll do my very best though. I'd love that slipjoint
