Stones and basic motion video
Posted by Mikedoh - 08 Dec 2012 13:09

Wondering what the instructors name is in that video, really manages to hold my attention.

Insert awkward moment here .....

I assume it's Nicole Allison, Clay?

_____

I never looked at those videos before, I must have figured I knew the basic set up and so on and never gave a look-see.

I must say, I watch the new videos with a totally different fascination than the old ones.
